Surgery has a Role in the Treatment of OSA	Edward M. Weaver
Geriatric OSA: Should we Treat and How?	Eric Kezirian
<i>Panel Discussion</i>	

Airway Evaluation

Sleep Endoscopy - General Aspects	Bhik Kotecha
Drug Induced Sleep Endoscopy	Winfried Hohenhorst
Modified Mallampati Score and Sleep Endoscopy Findings Correlate Poorly	Nico de Vries
Multi-modal Upper Airway Evaluation for Sleep Apnea	Joachim T. Maurer
Facial Morphology and OSA	Peter Cistulli
Computer-assisted Quantitative Upper Airway Analysis for OSAS	Hsu Pon Poh
OSAS and Anesthesia	An Boudewyns
<i>Panel Discussion</i>	

Technique Meets Medicine - Radiofrequency Surgery

Basics of Electrosurgery	Thomas Stein
Radiofrequency Surgery in Sleep Disordered Breathing - A Meta Analysis	Boris A. Stuck
RFITT - Tips from the Practice	Fahri Yildiz

Technique Meets Medicine - Implants

European and American Data on Tongue Implants	Evert Hamans
Hypoglossal Nerve Stimulation	Paul van de Heyning
Robotic Surgery as Approach to the Base of Tongue	Michiel van den Brekel

Course Dinner

The Scapegoat 'Uvula'	Wolfgang Pirsig
-----------------------	-----------------

Preliminary Program

Saturday, May 09

Opening	
The Patient's Perspective	Piet Heijn van Mechelen

CPAP

(Non) Compliance and (Non) Acceptance of CPAP Therapy	Nico de Vries
Outcome Data on Sleep Surgery Compared to CPAP	Sam Robinson

Snoring

Radiofrequency and Surgical Approach	Bhik Kotecha
Roles, Approaches, and Effects of Radiofrequency Treatment in the Upper Airway	Boris A. Stuck
Radiofrequency Treatment in Sleep Disordered Breathing	Leif Bäck
<i>Panel Discussion</i>	

The Nose and Oral Appliances

Oral Appliance; Randomized Trial Results	Aarnoud Hoekema
Predictors of Oral Appliance Treatment Outcome	Peter Cistulli
Nasal Resistance, Nasal Airway and CPAP failure	Seichi Nakata

Poster Presentations

UPPP

UPPP and Radiofrequency of the Tongue Base in Fujita II Patients	Nico de Vries
Expansion Pharyngoplasty	Kenny Pang
Uvula-Flap	Karl Hörmann
Palatal Advancement	B. Tucker Woodson
<i>Panel Discussion</i>	

Hyoid and Hypopharynx

Hyoid Suspension, type 1	Samuel Mickelson
Hyoid Suspension with and without Radiofrequency of the Tongue Base	Nico de Vries
The Hörmann Hyoid Suspension Modification	Karl Hörmann
Hyoid Expansion	Evert Hamans
Hyoidthyroidpexia as a Treatment in Multilevel Surgery	Claudio Vicini
Modern Midline Glossectomy & Lingualplasty	Sam Robinson

Multilevel and Maxillofacial Surgery

Multilevel Surgery	Thomas Verse
Review of Multilevel Surgery for Sleep Apnea	Hsin-Ching (Philip) Lin
Site Specific versus Diffuse Surgical Treatment of OSA	Kent Moore
Rapid Maxillary Expansion	Samuel Mickelson
<i>Panel Discussion</i>	

Call for Posters

All conference participants are welcome to contribute posters. Posters will be displayed throughout the whole event in a prominent location so that all attendees have an opportunity to see them. A session within the main program offers the opportunity of a 3 minute oral presentation of the poster topic.

Poster topics should be related to sleep surgery.

Please send your poster application by email to

Nico de Vries

n.vries@slaz.nl

You will be notified regarding acceptance by email before Jan 31, 2009.

Venue

Mövenpick Hotel Amsterdam City Centre
