

Surgery, Sleep & Breathing IV

An International Symposium

Time: Mar. 5-6, 2011

Venue: Taipei International Convention Center, Taipei, Taiwan

Website: www.iss2011.com.tw

Organizers

Taiwan Society of Sleep Medicine
International Surgical Sleep Society

Co-Organizers

Changi General Hospital, Singapore
Chang Gung Medical Foundation, Taiwan

Supported by

Singapore sleep society

Time/Date	2011/3/5 (Sat.) Rm. 101AB	Time/Date	2011/3/6 (Sun.) Rm. 101AB
0820-0830	Opening Ceremony		
0830-1030	General approach to OSA I Contemporary sleep medicine and the surgeon' s role <i>B. Tucker Woodson (USA)</i>	0830-1030	Snoring and minimal invasive surgery Assessment of snoring –subjective and objective <i>Jen-Fang Yu (Taiwan) / Han-Ren Hsiao (Taiwan)</i>
	Cost-effectiveness Analysis of UPPP <i>Edward M. Weaver (USA)</i>		RF assisted uvulopalatoplasty for snoring <i>Boris A. Stuck (Germany)</i>
	Sleep position in the evaluation of surgical outcome for OSA <i>Chul Hee Lee (Korea)</i>		Multilevel Minimally Invasive Surgery for OSA <i>Michael Friedman (USA)</i>
	Sleep hygiene and OSA <i>Soichiro Miyazaki (Japan)</i>		Radiofrequency ablation: multilevel approach of the upper airway <i>Evert Hamans (Belgium)</i>
	Upper airway allergy and OSA <i>De-Yun Wang (Singapore)</i>		The pillar implant - is there a future for the implant <i>Yau Hong Goh (Singapore)</i>
	Geriatric OSA. Should we treat and how ? <i>Eric Kezirian (USA)</i>		TBA <i>Micheal Sarte (Philippine)</i>
1030-1050	Coffee Break	1030-1050	Coffee Break
1050-1230	General approach to OSA II OSA in bariatric surgery population <i>Nico de Vries (Netherlands)</i>	1050-1230	Nose, nasal surgery and oral appliance Nasal evaluation and non-surgical therapy in SDB <i>Edward M. Weaver (USA)</i>
	Approaches to community based surgical outcome trials <i>Cheng-Yu Lin (Taiwan)</i>		Nasal Valve Surgery for OSA <i>Michael Friedman (USA)</i>
	PSG report: What a Surgeon needs to know <i>Mark Hon Wah Ignatius (Singapore)</i>		Effect of nasal surgery on QOL <i>Seiichi Nakata (Japan)</i>
	CPAP therapy <i>Ning Hung Chen (Taiwan)</i>		Nasal rsistance, nasal surgery and CPAP failure <i>Seiichi Nakata (Japan)</i>
	CPAP vs surgery (How to compare results of CPAP and surgery) <i>Nico de Vries (Netherlands) / Boris A. Stuck (Germany)</i>		TBA <i>Michael Friedman (USA)</i>
1230-1330	Banquet Hall, TICC, 3F	1230-1330	TBA <i>Yunn-Jy Chen (Taiwan)</i>
	Insomnia and OSA		Banquet Hall, TICC, 3F Luncheon Seminar
1330-1510	Endoscopic examination for OSA Endoscopy for OSA (DISE) <i>Eric Kezirian (USA)</i>	1330-1510	Palatopharyngeal Surgery Functional Study of Upper Airway <i>Demin Han (China)</i>
	Video sleep endoscopy (Midazolam) <i>Victor Abdullah (Hong Kong)</i>		Advancement of the soft palate-RP <i>Li- Ang Lee (Taiwan)</i>
	Drug induced sleep endoscopy (Propofol) & BIS <i>Yu-Lun Lo (Taiwan)</i>		Palatal Advancement Pharyngoplasty <i>B. Tucker Woodson (USA)</i>
	Computer assisted upper airway endoscopy <i>Pon-Poh Hsu (Singapore)/Alvin Tan (Singapore)</i>		Robotic Surgery and ZPP for OSA <i>Michael Friedman (USA)</i>
	Sleep endoscopy vs Müller' s maneuver <i>Speaker (Country)</i>		Palatal surgery: avoiding complications <i>Samuel Mickelson (USA)</i>
1510-1530	Coffee Break	1510-1530	Coffee Break
1530-1710	Image study for OSA Image study for OSA <i>Sung Wan Kim (Korea)</i>	1530-1730	Hyoid and Hypopharynx and OSA Repose technique <i>B. Tucker Woodson (USA)</i>
	High speed MR <i>Li-Pang Chuang (Taiwan)</i>		Radiofrequency of the tongue base : in vitro and in vivo results <i>Boris A. Stuck (Germany)</i>
	Advanced CT imaging for OSA study <i>Chung-Chih Yu (Taiwan)</i>		Tongue suspension devices: an experimental approach of the upper airway <i>Evert Hamans (Belgium)</i>
	Cephalometry (soft tissue and bone) for SDB <i>Yu-fang Liao (Taiwan)</i>		A trial about hypoglossal nerve stimulation for OSA <i>Evert Hamans (Belgium)</i>
	Fluoroscopy for OSA <i>Chul Hee Lee (Korea)</i>		Glossectomy and Lingual Tonsillectomy for OSA <i>B. Tucker Woodson (USA)</i>
1710-1820	Maxillofacial surgery Geniotubercle advancement <i>Sung Wan Kim (Korea)</i>		
	Sliding genioplasty for OSA <i>Victor Abdullah (Hong Kong)</i>		
	Hyoid suspension for OSA <i>Boris A. Stuck (Germany) / Nico de Vries (Netherlands)</i>		
	Maxillomandibular advancement and associated procedures <i>Eric Lye Kok Weng (Singapore)</i>		
1820-1830			
1830-2100	Conference Banquet
